

TIMELESS QUALITY

“ From the moment we stepped into their showroom we had a sense of reassurance and confidence in the product and their deliverability. ”

A wonderful mix of three different colour finishes – Farrow & Ball Bone, French Grey and Hardwick White - and two different worktops – black granite and American oak - give this kitchen a timeless elegance.

The bespoke cabinetry - all hand-crafted in solid wood – includes some great features such as concertina dresser doors, slide out wine racks, hidden appliances and recycling bins.

This kitchen is situated literally in the centre of the house. The Hill Farm kitchen has ensured it's become the focus and heart of the home.

“ From start to finish our experience with Hill Farm was outstanding. ”

“ After 3 years the kitchen still looks as good as new. ”
